

National Park permits

To film, tape or take photographs in nationally protected areas, a request must be filed with the head office of the Special Administrative Unit of the National Natural Park System and the following steps must be taken: A request must be filed at the Environmental Window at Carrera 10 No. 20-30, Mezzanine Level, Bogotá and include the following information:

- The conservation unit or area where the project will take place
- The place or sector where filming will take place
- The type of product being made (documentary, chronicle, research, scenes for series, television soap opera, etc.)
- Name, identification, nationality, residence, address, telephone, fax and function of the person responsible for the group and of all others coming into the park
- Date of entry and exit
- Type of technical equipment to be used • Day and time of filming
- Number and type of vehicles (motorcycle, automobile, truck, taxi, bus, official mini-bus, tourist mini-bus, boat, etc.) A certificate of incorporation and legal representation is required, depending on whether the petitioner is a corporation or company.

When acting on behalf of a third party the power of attorney or authorization must be attached. Self-payment form must be filled out. Receipt of payment corresponding to evaluation and follow-up of project must be presented at the Environmental Window at Carrera 10 No. 20-30, Mezzanine Level, Bogotá. Once a permit is issued the corresponding cost must be deposited; this cost varies depending on project's duration.
