

**LIST OF VALID DOCUMENTATION TO PROVE THE INCORPORATION AND LEGAL REPRESENTATION OF FOREIGN APPLICANT PRODUCERS BY JURISDICTION**

The following is a list of the documents that Proimágenes Colombia, in its capacity as the Management Entity for the incentives of Law 1556 of 2012, considers necessary to prove the incorporation and legal representation of the foreign applicant producers, as contained in Articles 12.1.3 and 32.1.3 of the Resource Allocation Manual (hereinafter 'MAR'). Producers must submit the documents corresponding to the jurisdiction where they are incorporated according to the table. The documents must have a maximum of thirty (30) calendar days of issue at the time of the project application. If the project is approved by the Colombia Film Promotion Committee, the documents issued by a public authority must be apostilled in order to continue with the execution of the Colombia Filming Contract.

In the event that the jurisdiction in which the applicant producer is incorporated is not included in the table, the producer must submit the document(s) that comply with the characteristics set forth in the above-mentioned articles of the MAR.
